PRESS RELEASE

12 Indian Universities in QS world Subject Rankings 2021

India is keen to work with Qatar in the field of Education. The cooperation so far has been excellent. There are 15 Indian Schools in Qatar and three new ones are expected to open in 2021. In addition, a new University Savitribai Phule Pune University is expected to start its operations in Qatar by the end of this year. In this regard, Indian Embassy would like to bring to your notice latest edition of World University Rankings by Quacquarelli Symonds (QS) for 2021. Quacquarelli Symonds is a British company specialising in the analysis of higher education institutions around the world. The company was founded in 1990 by Nunzio Quacquarelli.

According to the new list, 12 Indians institutes are in top 100. Indian Institute of Technology- Bombay (IIT-B) at 49th rank, IIT- Delhi at 54th rank, and IIT- Madras at 94th rank. Moreover, IIT- Kharagpur has bagged 101st position followed by IISc Bangalore at 103rd rank, IIT- Kanpur, and IIT- Roorkee at 107th and 170th ranks, respectively.

The Indian Institute of Science (IISc) Bangalore is at number 78 for materials science and at 93 for chemistry. IIT-Delhi has achieved top-100 ranks in electrical & electronic engineering (54th, down from 49th in 2020), computer science (70th), and mechanical engineering (79th).
IIM-Bangalore and IIM-Ahmedabad are also in top 100 for their business and management programmes. Anna University and Jawaharlal Nehru University have also made it to the top 100, for petroleum engineering and anthropology, respectively.

Among the private universities, O.P. Jindal Global University has entered the global top-100 for law — at 76th position. Birla Institute of Technology and Science (BITS) has entered the rankings for pharmacy & pharmacology, securing a place in the 151-200 band. It has also entered the rankings for mathematics (451-500 band) and business & management studies (451-500 band).

Jamia Hamdard has entered the rankings for pharmacy & pharmacology (101-150), Manipal Academy of Higher Education for pharmacy & pharmacology (151-200), and Vellore Institute of Technology for electrical and electronic engineering (251-300 band).

It is our duty to bring to the notice of decision makers in Qatar about the progress India is making in the field of Education and about India's Institutions of Eminence which made a good progress this year in the QS World University Rankings. We are well aware of the keenness of the Qatari leadership in welcoming world class institutions into Qatar and in promoting only best of the education practices. India is equally keen to maintain the quality of its education and the latest QS Rankings stand testimony to that.
