Standout Highlights

- Major EV launches across vehicle segments
- Hydrogen-powered equipment showcased for decarbonization
- Advanced battery and charging technologies highlighted
- Software-defined and connected vehicles demonstrated
- Smart tires with integrated sensor technologies
- Next-generation low-emission construction equipment focus
- Strong global participation enabling industry collaboration
- Multi-venue format covering complete mobility ecosystem

Mobilize Your Future

Bharat Mobility GLOBAL EXPO 2027
Beyond Boundaries: Co-creating Future Automotive Value Chain

Bharat Mobility 2027 Advantage: Connect with a Global and Diverse audience

India is a Booming Market

1. Strong government support for manufacturing localization
2. Tap the “Indian Automotive Industry growth story”
3. Accelerated infrastructure development
4. Innovating logistics – Multi-modal logistic parks
5. Increasing focus on new powertrains – Electric, Hybrid, Ethanol, Hydrogen, CNG/ LNG etc.

India is a Capability Partner

1. Rich talent pool for supporting global capabilities
2. Strong ecosystem of automotive startups across CASE*
3. Cost competitiveness enabling India as an export hub
4. A major player in the global automotive value chain
5. Robust Digital / IT infrastructure

*CASE – Connected, Autonomous, Shared Mobility and Electrification

Unlock Value through Participation
